B99 AIR

single-shot match air pistol

The single-shot match air pistol AERON B99-AIR is intended both for sports shooting and for competition shooting complying with ISSF regulations.

The high technical standard with the precision LOTHAR WALTHER company barrel coupled with new compensator design and a lot of variable elements make it possible to meet all individual requirements of the shooter.

Precision compensator for the ultimate performance on LOTHAR WALTHER barrel.

Adjustable trigger stop, weight, length and tilt

Easy loading and unloading of the weapon

Micrometer sight is adjustable in height and lateral directions.
